LERWICK PORT AUTHORITY (LPA)

Amendment to Schedule made under
Section 26 of the Harbours Act 1964

HARBOUR CHARGES

from 1st January 2022

A ship's tonnage for charging purposes shall be the gross tonnage as defined by an International Tonnage Certificate (1969). Where no ITC certificate is in place, the tonnage as defined by the Merchant Shipping Acts and Regulations made thereunder shall apply. In the case of a foreign vessel not issued with an International Tonnage Certificate (1969) or British Tonnage Certificate, the tonnage of the vessel shall be uplifted by 20% unless a reciprocal agreement exists with the UK.

- (b) Vessels towed or towing, which are subject to compulsory pilotage, are liable for pilotage charges as if the Pilot was onboard.

XI Compulsory pilotage

Pilotage shall be compulsory for vessels navigating within the pilotage limits of Lerwick Harbour, and falling within the following categories; namely:

- (a) Every ship carrying passenger(s) and having a registered length of not less than 30 metres.
- (b) Every oil tanker having a gross tonnage of not less than 1600 intending to berth, anchor, shift within, or transit through the area of the inner harbour.
- (c) Every ship having onboard any explosive article or an explosive substance exceeding ten kilograms in weight and to which Article 3 of the Dangerous Substances in Harbour Areas Regulations 1987 (S. I. No. 37) apply and which have the characteristic properties and are classified as Class 1, Divisions 1.1, 1.2, 1.3 and 1.5 by Schedule of said Regulations.
- (d)
 - i) Other than a fishing vessel, every vessel exceeding 25 metres in length towing or under tow.
 - ii) Every fishing vessel of which the registered length exceeds 47.5 metres towing or under tow.
- (e) Every vessel able only to manoeuvre with difficulty.
- (f) Every vessel having a gross tonnage of not less than 3000 intending to berth, anchor, shift within, or transit through the area of the Inner Harbour and Dales Voe as defined below.

Lerwick Harbour

Lerwick Harbour is particularly defined in the Lerwick Harbour Acts and Orders 1877 to 2015 which are summarised as follows:

That area of sea bounded generally on the North by a line due east from Hawks Ness to meet a line due north from Outer Score and bounded on the South by a line drawn from The Skeo on the Mainland to Bard Head on Bressay.

Pilotage Limits

That area of sea bounded generally on the North by a line drawn from Hawks Ness to Green Holm to the island of Outer Score and bounded on the South by a line drawn from Trebister Ness to Kirkabister Ness.

Inner Harbour

Inner Harbour is defined as that part of the sea of Lerwick Harbour Area bounded on the North by a line drawn from Rova Head to Ness of Beosetter and on the South by a line drawn from Knab to point of Ham.

Dales Voe is defined as that part of the sea South of the line of Latitude 60° 12.0' N.

XII Pilotage Exemption Certificate

1. Initial certificate examination

- (a) i) Master or First Mate to have completed twelve round trips (i.e. twelve in and twelve out of the harbour, including use of both entrances) in command of or having safe conduct of the relevant vessel in the previous twelve months. A minimum of one round trip to be accompanied by a licensed Lerwick Port Authority Pilot.
- ii) Where a Pilotage Exemption Certificate is required for a vessel operating solely within the harbour limits, the requirements for Pilotage Exemption Certification shall be fulfilled by the candidate on the relevant vessel or a vessel substantially of a similar type.

The candidate shall either comply with the requirements of paragraph 1(a) i) or have completed twelve return shifts in the harbour. A minimum of one return shift to be accompanied by a licensed Lerwick Port Authority Pilot.

The area of operation shall be restricted and designated by the Pilotage Examiners.

- (b) The examination will consist of an oral exam conducted by the Master Pilot and one other Pilot. Failing the Master Pilot being available, the exam will be before two licensed Lerwick Port Authority Pilots.

In addition there shall be a practical assessment on board the relevant vessel conducted by the Master Pilot or his deputy.

- (c) Fee for examination £332.00

2. Certificate renewal

- (a) i) The Pilotage Exemption Certificate will not be renewed annually unless the holder has completed twelve round trips (i.e. twelve in and twelve out of the harbour, including use of both entrances) in the previous twelve months onboard the relevant vessel.

Or, the holder has completed six round trips (i.e. six in and six out of the harbour, including both entrances) in the previous twelve months onboard the relevant vessel. A minimum of one round trip to be accompanied by a licensed Lerwick Port Authority Pilot. In addition, there shall be an annual practical assessment onboard the relevant vessel conducted by the Master Pilot or his Deputy.

- ii) For vessels operating solely within the harbour limits the Pilotage Exemption Certificate holder shall either comply with the requirements of paragraph 2. (a) i) or have completed twelve return shifts in the harbour.

- (b) Fee for renewal £179.00

3. Certificate revalidation

- (a) The Pilotage Exemption Certificate will be subject to revalidation prior to renewal every five years. For revalidation, the Pilotage Exemption Certificate holder will be reassessed, i.e. a minimum of one return trip/shift to be accompanied by a licensed Lerwick Port Authority Pilot and in addition undergo assessment(s) of competence within the pilotage limits by the Pilotage Examiners.

- (b) Fee for revalidation £179.00

4. Additional vessels

- (a) Where an additional vessel is to be specified on the certificate, a further six round trips (i.e. six in and six out of the harbour, including use of both entrances) in command of or having safe conduct of this vessel are to be completed.

A minimum of one round trip to be accompanied by a licensed Lerwick Port Authority Pilot. An assessment of competence will then be made by the Pilotage Examiners prior to the inclusion of the additional vessel on the certificate.

Lesser criteria may be applied by the Pilotage Examiners if, in their opinion, the additional vessel is substantially of a similar type to the relevant vessel contained in the certificate.

- (b) Fee for assessment for additional vessels £179.00

5. General conditions

- (a) Relevant vessel means the vessel specified in the Pilotage Exemption Certificate.
- (b) Candidates to provide proof of relevant qualification and medical fitness.
- (c) Any ships navigating within the pilotage area, under the pilotage of a Master or a First Mate, who is the holder of a Pilotage Exemption Certificate in respect of the relevant vessel, will pay 7.5% of the pilotage charge.
